How to get an edge, move ahead.

My MBA took me to the next level...

The scope of work, the assignments, presentations, support papers and class discussions always kept things interesting, challenging and helped establish networks that will live way beyond uni.

The facilities were great and accessible, the students and the faculty were all up for a challenge. It's been the best move of my career... so far!

- Sandy Whyte,
Executive Officer,
Cairns Chamber of Commerce,
MBA - 2003
